

## Altrusa International Foundation, Inc. – Club 21 Membership A Program Supporting Children

The Altrusa International Foundation’s Club 21 Program was established in 1997 to support children with HIV/AIDS. In 2014, the International Foundation Board of Trustees chose four additional camps to support that expand the reach of Club 21 to children, and their families, affected by disease and disability. They are included in the Club 21 brochure. In addition, Club 21 supports the Bleeding Disorders Alliance of Illinois and Youth Futures International.

Disease affects people in all countries and from all walks of life. Members of Club 21 offer hope and support to those in need. With an annual contribution of \$21.00 (US) or more to the Altrusa International Foundation, an individual will become a member of Club 21. An Altrusa Club may also become a member of Club 21 with a contribution of \$210.00 or more. Below are the Club 21 membership pin and medallion.
